CAS-318

Product code	CAS-318
Size	3/4 X 3-1/2
Specifications	Poplar
Category	Trim & Moulding
Type	Casing
Availability	Stock Item

This 3-1/2 3 1867 style casing offers an old farmhouse or heritage design. Sometimes corner blocks are used with this style of trim. Casing is used to trim around doors and windows. It covers the gap between the drywall and the jamb. Casing is often the most prominent trim feature in your home and should be thicker than the baseboard. To increase the width and depth of the casing you can add a back band.
